Sinharaja Rain Forest (UNESCO) & Eco 3-Day Tour with Hotel

Short description

Discover the Sinharaja rainforest on a 3-day Eco tour from Ratnapura. Stay in a hotel, trek through the forest, spot wildlife, Trekking and visit a waterfall for a refreshing swim.

Full description

Begin your adventure with a transfer to Sinharaja, a UNESCO Natural World Heritage Site, Biosphere Reserve, and Biodiversity Hotspot. Trek through the rainforest, keeping an eye out for monkeys, snakes, chameleons, and a vast range of tropical trees.

Spot some of the 95% of Sri Lanka's endemic birds that call this forest home, including the rare red-faced malkoha and the Sri Lanka blue magpie. Witness the colorful spectacle of mixed-species bird flocks, a phenomenon unique to rainforests.

Continue your journey with a visit to a waterfall, where you can take a refreshing swim in the natural pools. On the third day, explore the Kingdom Secret location, a perfect spot for trekking. Walk through tea and rubber plantations, immersing yourself in the lush landscapes.

Highlights

- Immerse yourself in the lush greenery of the Sinharaja rainforest
- Spot a variety of wildlife, including monkeys, snakes, and chameleons
- Trek through the rainforest and discover its rich biodiversity
- Visit a waterfall and enjoy a refreshing swim in its natural pool
